Excellence in private healthcare

Avicenna clinic is an independent, consultant-led private healthcare practice that places patient care and comfort at the very heart of its agenda.

Incorporating state-of-the-art facilities and the highest level of expertise, Avicenna Clinic offers personalised, responsive care within a serene and relaxing environment.

Book your consultation

We accept both insured and self paying patients at the clinic. Referral can be made via your GP or other health professional, or you can book and pay for your own consultation and treatments directly. All bookings (including same-day) can be made online at www.avicennaclinic.com.
